

CERTIFIED PARTIAL ENGLISH TRANSLATION
OF PCT/DE96/00660 filed April 17, 1996 (WO97/11269)

Original German text at page 1, third paragraph, first sentence (lines 27-29):

Ferner ist bekannt, dass bei Dieselbrennkraftmaschinen in die Abgasleitung mittels einer Dosierpumpe Kohlenwasserstoffe zugemessen werden.

English translation:

In diesel internal combustion engines, it is also known to meter hydrocarbons into the exhaust pipe using a metering pump.

Certification

I, [translator's name], certify that I am fluent in the German and English languages, and that the above is a true and faithful translation of the original.
